

*During these difficult economic times,  
your school needs to make wise choices.*

## The choice is PASBO.

Act 1 exceptions  
Staff reductions  
Program cuts  
Construction projects  
PSERS

*"The insights that our business manager gains through PASBO's information and resources has enabled us to make intelligent decisions. We also benefit, along with all PA schools districts, from the lobbying and advocacy that PASBO provides regarding financial, facilities and transportation issues."*

*Dr. John Hoover, Superintendent, Hampton Township SD*

The Pennsylvania Association of School Business Officials (PASBO) empowers your business officials to make the best decisions for your school during these trying times.

With a PASBO membership, your school gains:

- ◆ Essential professional development
- ◆ Late breaking legislative news, lobbying and advocacy
- ◆ Access to proven smart business practices
- ◆ Interactive idea exchanges

***There has never been a more  
critical time for business  
officials to join PASBO.***

*"Our business office gets constant updates on what is happening at the state level so we are kept very well informed. I believe we are a stronger and more aware school district because of PASBO."*

*Dr. Curtis Griffin, Superintendent,  
Hatboro-Horsham SD*
